INITIALED AS APPROVED FOR SUBMITTAL TO THE COUNCIL BY:

RECOMMENDED ACTION
Approve Resolution 18-22 to reimburse The Wastewater Project Fund from the General Fund in the amount of $220,689.26.

BACKGROUND / SUMMARY INFORMATION
Resolution 14-43 was signed on January 6, 2015, authorizing Hoffman Construction to maintain and store equipment and materials at the Staysail RV Park to allow cost savings to the project. The City agreed to compensate the general fund for lost revenue due to the closure of the Staysail RV Park in an amount equal to the pro-rated value of the net loss in revenue as compared to the last three years.

The construction was delayed and Resolution 15-22 was signed on July 7, 2015 amending Resolution 14-43 to authorize closure of Staysail RV Park at the beginning of the deep excavation of the Clean Water Facility. On September 8, 2015 the north section of the Staysail RV Park was closed but the southwest portion remained open and continued to generate revenue that was posted to the General Fund. On July 7, 2015 the City passed Resolution 15-24 that executed and conveyed a temporary access lease agreement between the General Fund and the Waterwater Project Fund. The agreement was for $132,000 per year to be paid to the General Fund for consideration of lost revenues due to the construction of the Clean Water Facility.

The Staysail RV Park stayed open until October 2017 and generated $286,689.26 between July 2015 and October 2017. The Wastewater Project Fund lease total for July 2015 - July 2018 per contract was $396,000, and they paid $330,000 of that.

The difference between what was received by the General Fund for that period of $616,689.26 and the lease value of $396,000 is $220,689.26.

Based on the language in Resolution 15-24 the General Fund owes the Wastewater Project Fund $220,689.26

LEGAL AUTHORITY
The lease terms dictate the repayment of the excess revenue collection by the General Fund

FISCAL IMPACT
$220,689.26 will be transferred out of the General Fund and into the Wastewater Project Fund.

This will decrease the General Fund balance and increase the Wastewater Project Fund balance.

RESOLUTION 18-22

A RESOLUTION OF THE CITY OF OAK HARBOR AUTHORIZING REIMBURSEMENT BY THE GENERAL FUND RELATING TO USE OF THE STAYSAIL RV PARK FOR ACCESS AND CONSTRUCTION OF THE CLEAN WATER FACILITY PROJECT

WHEREAS, on July 1, 2014, City Council authorized the Mayor to sign a contract with Hoffman Construction to perform General Contractor/Construction Manager (GC/CM) preconstruction service for the new wastewater treatment plant, now known as the "Clean Water Facility"; and

WHEREAS, Resolution 14-43, signed on January 6, 2015, authorized Hoffman Construction to maintain and store equipment and material at the Staysail RV Park in order to reduce costs during the construction of the Clean Water Facility; and

WHEREAS, Resolution 14-43 authorized closure of the Staysail RV Park on February 1, 2015, in order to store equipment and materials in efforts to reduce construction costs; and

WHEREAS, pursuant to Resolution 14-43, the City agreed to compensate the general fund for lost revenue due to the closure of the Staysail RV Park in an amount equal to the pro-rated value of the net loss in revenue as compared to the last three years; and

WHEREAS, due to a delay in construction, closure of the Staysail RV Park did not occur on February 1, 2015. Resolution 15-22 was subsequently signed July 7, 2015 amending Resolution 14-43 to authorize the closure of Staysail RV Park at beginning of the deep excavation of the Clean Water Facility; and

WHEREAS, the north section of the Staysail RV Park was closed on September 8, 2015, at the beginning of the deep excavation of the Clean Water Facility. The southwest portion remained open during construction and continued to generate revenue for the general fund; and

WHEREAS, on July 7, 2015, the City passed Resolution 15-24, which executed and conveyed a temporary access lease agreement between the City’s General Fund (Grantor) and the City’s Wastewater Fund (Grantee); and

WHEREAS, in fair consideration of the granting of a temporary access lease agreement pursuant to Resolution 15-24, the Wastewater Fund agreed to give an annual payment in the amount of $132,000 to the General Fund; and

WHEREAS, the language in Resolution 15-24, indicates that the fair consideration in the amount of $132,000 represents the forgone revenue to have been earned by the General Fund as calculated by the actual receipt of campground receipt fees received from the temporary leased premises, the Staysail RV Park, during calendar year 2014; and

Resolution 18-22 Authorizing Reimbursement by the General Fund Relating to Use of the Staysail RV Park for Access and Construction of the Clean Water Facility Project – Page 1 of 3
WHEREAS, pursuant to Resolution 15-24, the temporary access lease agreement was set to expire three years from the date of execution, or upon completion of the project, whichever occurred first; and

WHEREAS, the temporary access lease agreement expired on July 7, 2018; and

WHEREAS, the General Fund has received a total amount of $330,000 from the Wastewater Fund from the period of July 2015 – December 2017 (30 months); and

WHEREAS, the total amount due under the lease amounted to $396,000; and

WHEREAS, the lease between funds assumed total possession and use of the leased area by the Wastewater Fund and a total loss of revenue associated with the leased area by the General Fund; and

WHEREAS, the General Fund continued to have possession of portions of the leased area until October 15, 2017, when the Staysail RV Park closed permanently; and

WHEREAS, the Staysail RV Park generated a total of $286,689.26 during the lease term; and

WHEREAS, the total amount due under the lease was intended to offset total loss of revenue. Due to the fact that significant revenue was generated during the lease term and complete possession of the leased area by the Wastewater Fund did not occur until October 15, 2017, the total lease amount due $396,000 should be offset by the revenue generated $286,689.26; and

WHEREAS, with Staysail RV Park (General Fund) revenue and Clean Water Facility Project (Wastewater Fund) lease payments, the amount received for the leased area through December 2017 was $616,689.26, which is an overpayment of the lease amount of $220,689.26.

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Oak Harbor as follows:

1. The General Fund will repay the Wastewater Fund an amount of $220,689.26 for overpayment of lease amounts.
