

# *Celebrate with us!*

Oak Harbor's new Clean Water Facility is completed and operational, bringing cleaner water to Oak Harbor Bay and protecting the environment.

## *Ribbon Cutting Celebration*

Oak Harbor Clean Water Facility

November 29, 2018  
1:30 – 3:30 p.m.  
1375 SE City Beach St.

### Join us to:

- Commemorate completion of the new facility
- Tour the facility to see how it will provide reliable service to the community for years to come
- Learn about the facility's state-of-the-art technology
- Enjoy views of Oak Harbor Bay from the new administration building

### Have questions about the project?

Call 360-914-7000
