Bill No. 11.c
Date: July 7, 2015
Subject: Beach View Relinquishment of Easements and Substitute Parking Agreement

FROM: Nikki Esparza, City Attorney

INITIALED AS APPROVED FOR SUBMITTAL TO THE COUNCIL BY:
- Scott Dudley, Mayor
- Larry Cort, City Administrator
- Doug Merriman, Finance Director
- Nikki Esparza, City Attorney, as to form

RECOMMENDED ACTION
1. Authorize the Mayor to sign the Beach View Relinquishment of Easements
2. Authorize the Mayor to sign the Beach View Substitute Parking Agreement

BACKGROUND / SUMMARY INFORMATION
When the City purchased the Whidbey Island Bank property for construction of the Waste Water Treatment Facility, it was understood that the property was encumbered by an easement in favor of Beach View Plaza for a shared 90 parking spots in the lot to the southeast of the Bank building. Prior to commencement of construction of the plant and interference with the shared parking easement, it was necessary to come to an agreement for alternative parking.

On June 16, 2015, Council authorized the Mayor to sign a lease agreement with Redneck Properties. Redneck borders the Beach View property. Beach View has agreed to relinquish its easement on the Whidbey Island Bank property in exchange for temporary parking on the leased Redneck property and the agreement to furnish permanent parking within the next six years.

The attached Relinquishment of Easements extinguishes Beach View's easement on City property. The attached Substitute Parking Agreement provides for temporary parking (45 spaces) on the leased Redneck property (or other location that meets the requirements) until a permanent solution is identified. It also contains requirements that permanent parking be agreed to within six years from the date the agreement is signed. The permanent parking shall be on the same side of Pioneer Way and within the same distance from Beach View building as the current parking.

Staff anticipates interference with the parking easement during shallow excavation authorized by GMP #3. This work is scheduled to begin the week of July 6, 2015. In order to maintain the current construction schedule, time is of the essence and staff is recommending authorization to sign both
agreements.

hereinafter the "Existing Parking Parcel"; and

B. Beach View is the owner of the following-described property:

Lot 1 of City of Oak Harbor Boundary Line Adjustment No. BND 04-00004 as approved June 17, 2004, and recorded June 17, 2004 in Volume 4 of Short Plats, page 53 and 54, under Auditor's File No. 4103820, records of Island County, Washington; being a portion of Government Lot 5, Section 2, Township 32 North, Range 1 East of the Willamette Meridian and Reserve B of Ely's Addition to the Town of Oak Harbor, according to the plat thereof recorded in Volume 2 of Plats, page 27, records of Island County, Washington.

Island County tax parcel S6565-00-00B34-2

hereinafter the "Beach View Property."

C. City's and Beach View's predecessors in interest entered into a Reciprocal Easement Agreement dated June 14, 2004 and recorded under Island County Auditor's file no. 4103822, hereinafter the "Easement Agreement," which runs with the land and binds and benefits successors.

D. Among other matters, the Easement Agreement establishes:

At paragraph 2.3(a)(i) a 20-foot-wide easement over City Lot 2 for pedestrian and vehicular access between the Beach View Property and the Existing Parking Parcel, benefiting the Beach View Property, and at paragraph 2.3(a)(ii) a 30-foot-wide easement over the Existing Parking Parcel for pedestrian and vehicular access benefiting the Beach View Property and City Lot 2. The easements at paragraph 2.3(a)(i) and (ii) of the Easement Agreement are collectively referred to herein as the "Access Easements."

At paragraph 2.3(b)(ii) a nonexclusive easement on the Existing Parking Parcel for parking of vehicles for the benefit of the Beach View Property, hereinafter referred to as the "Parking Easement." The Existing Parking Parcel provides approximately ninety (90) parking spaces. The Easement Agreement provides that parking on the Parking Easement shall be shared between the Beach View Property and City Lot 2 without allocating a specific number of spaces to either property.

E. The Beach View Property and City Lot 2 were established as lots pursuant to City of Oak Harbor Boundary Line Adjustment No. BND 04-0004, recorded under Island County Auditor's File No. 4103820 (hereinafter the "BLA"). The BLA created the Access
Easements. Prior access and utility easements had been established in the area of the Access Easements, but said easements were extinguished, removed and vacated by the BLA.

F. City will be constructing a wastewater treatment plant on the Existing Parking Parcel, necessitating the termination of the Access Easements and the Parking Easement.

G. City and Beach View desire to come to an equitable agreement to substitute new parking for the Parking Easement.

AGREEMENT:

For and in consideration of the covenants contained herein and the mutual benefits to the parties, the CITY OF OAK HARBOR and BEACH VIEW PROPERTIES, LLC hereby covenant and agree as follows:

1. **Termination of Easements:** For the purposes of this agreement “substitute parking” shall mean temporary and permanent substitute parking as further described herein. The Access Easements created at paragraphs 2.3(a)(i) and (ii) of the Easement Agreement, by the BLA and by prior recorded instruments, and the Parking Easement created at paragraph 2.3(b)(ii) of the Easement Agreement shall be terminated and be of no further force and effect upon the date when the City provides temporary substitute parking to Beach View. City shall provide Beach View with no less than five (5) business days’ notice of the location of the substitute parking and the date the substitute parking will become available. On the date that temporary substitute parking becomes available, the Access Easements and Parking Easement shall terminate. Beach View shall be responsible for notifying the tenants at the Beach View Property of the change in parking.

2. **Recording of Termination of Easement:** Within two (2) business days after City gives notice that the temporary substitute parking will become available, Beach View shall provide City with a original relinquishment of the Access Easements and Parking Easement in the form attached hereto as EXHIBIT A fully executed by Beach View and its lender. City shall execute the relinquishment, and said relinquishment shall be effective and may be recorded in the records of the Island County Auditor on the date that the City provides substitute parking to Beach View.

3. **Substitute Parking Requirements:** The substitute parking shall be comparable to the parking on the Existing Parking Parcel, and shall be paved, located on the same side of Pioneer Way as the Beach View Property, at no greater distance than the approximate distance of the Beach View Property from the Existing Parking Parcel and shall make available to Beach View at least forty-five (45) parking spaces during hours when the businesses located within the building on the Beach View Property are open, and extending for one hour before and one hour after such open hours. City shall retain the right to authorize use of such parking by the public during times when such businesses are not open. Distance shall be measured between the closest points of the Beach View Property and the substitute parking parcel(s).
4. **Temporary Substitute Parking:** The initial substitute parking to be provided by the City to Beach View may be temporary. City may provide parking on the Redneck Properties, LLC property adjacent to the west boundary of the Beach View Property or at any other location that meets the substitute parking requirements stated above. City shall provide temporary substitute parking of 45 stalls for a period of up to six (6) years from the date this agreement is executed by all parties.

5. **Permanent Substitute Parking:** Not later than six (6) years from the date this agreement is executed by all parties, the City shall provide Beach View with permanent substitute parking for a mutually agreed upon number of stalls that meet the substitute parking requirements set forth in paragraph 3 above. At such time as permanent substitute parking is provided, City shall execute and record a permanent parking easement in favor of Beach View in substantially the form attached hereto as EXHIBIT B. In the event the parties are unable to agree upon the number of permanent parking stalls to be provided, the parties shall submit the matter to the dispute resolution provisions of paragraph 8 below.

6. **Risk of Loss:** All personal property of Beach View or its tenants kept or maintained at the substitute parking area shall be at the risk of the owner of such property. Beach View further agrees not to hold City liable in any manner or on account of any loss or damage sustained by action of any third party, fire, water, theft or elements.

7. **Indemnification:**

(a) City shall, at its own expense, protect, hold harmless, indemnify, and defend Beach View, its officers, employees and agents, from any loss or claim for damages of any nature whatsoever, including claims by third parties, or by City’s employees from which it would otherwise be immune under TITLE 51 RCW or other law, arising out of any act or omission on or about the substitute parking areas or relating to this agreement by City, its appointed or elected officials, officers, employees or agents. If a loss or claim is caused by or results from the concurrent negligence of City, its appointed or elected officials, officers, employees or agents, and Beach View, its officers, employees or agents, this clause shall be valid and enforceable only to the extent of the negligence of the City, its appointed or elected officials, officers, employees or agents.

(b) Beach View shall, at its own expense, protect, hold harmless, indemnify, and defend the City, its appointed and elected officials, officers, employees and agents, from any loss or claim for damages of any nature whatsoever, including claims by third parties, or by Beach View’s employees from which it would otherwise be immune under TITLE 51 RCW or other law, arising out of any act or omission on or about the substitute parking areas or relating to this agreement by Beach View, its officers, employees, or agents. If a loss or claim is caused by or results from the concurrent negligence of Beach View, its officers, employees, or agents, and City, its appointed or elected officials, officers, employees, or agents, this clause shall be valid and enforceable only to the extent of the negligence of Beach view, its officers, employees, or agents.
The parties acknowledge that the foregoing indemnity provisions were mutually negotiated and survive the termination of this Substitute Parking Agreement.

8. **Dispute Resolution:** In the event of a dispute between the parties with regard to this agreement, the parties shall select a single mediator at JAMS in Seattle and participate in mediation to resolve the dispute. If the parties cannot agree on a mediator, each party shall propose one mediator, and selection shall be by a coin flip. The parties shall each pay one half of the mediator’s fee and each party shall bear its own costs of mediation. In the event the parties remain unable to resolve the dispute through mediation, the mediator shall resolve the dispute as arbitrator. The decision of the arbitrator shall be final and binding. The arbitrator may assess the costs of arbitration and award legal costs and reasonable attorneys’ fees to the substantially prevailing party.

9. **Attorney Fees:** In the event of litigation between the parties hereto, the substantially prevailing party shall be entitled to collect, in addition to any judgment awarded by a court, a reasonable sum as attorneys’ fees, and all costs and expenses incurred in connection with such a lawsuit, including attorneys’ fees, costs, and expenses of any appeal of a judgment, and if the substantially prevailing party shall recover judgment in any such action or proceeding, such costs, expenses and attorney’s fees shall be included in and as a part of such judgment. This agreement shall be governed by the laws of the State of Washington. The venue for any litigation related to this agreement shall be Island County, Washington.

10. **Easement Agreement Provisions Incorporated:** The following provisions of the Easement Agreement are incorporated herein by this reference and shall apply to the temporary and permanent substitute parking, provided that “REA” as used therein shall refer to this Substitute Parking Agreement:
